EuroMed Trade Helpdesk

Facilitating trade and investment across the Mediterranean region

780 million consumers

US\$ 6 trillion +
turnover in trade

What is the EuroMed Trade Helpdesk?

A free online portal with information you need to do business in the Euro Mediterranean region plus answers to your trade enquiries from institutions in 9 Mediterranean countries: Algeria, Egypt, Jordan, Israel, Lebanon, Morocco, Palestine, Tunisia and Turkey.

Who can use it?

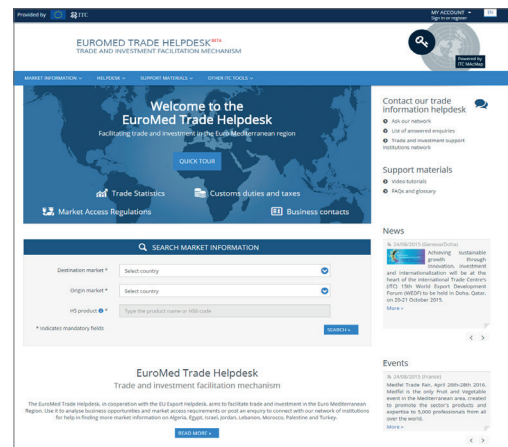

Free upon registration. Exporters, importers, investors and trade institutions can use it to research business opportunities and market requirements.

What does it offer?

User friendly comparable information on: trade; customs tariffs and preferences; rules of origin, market requirements (e.g. products regulations on health, safety, packaging and labelling etc.); contacts information on institutions and companies as well as news and events.

How is it delivered?

The EuroMed Trade Helpdesk is funded by the European Union, delivered by the International Trade Centre in partnership with national trade support institutions in the region.

HOW TO GET ACCESS?

Access is FREE at euromed.macmap.org thanks to support from the European Union.

For all the additional information please contact euromed@intracen.org
