Building on results achieved in Kyrgyzstan, Tajikistan and Tunisia in a previous phase

Kyrgyzstan and Tajikistan:

- Increased regional exports to Russia and Kazakhstan
- New sourcing destinations in China and Turkey
- Supported enterprises resisted economic crisis and were able to retain jobs

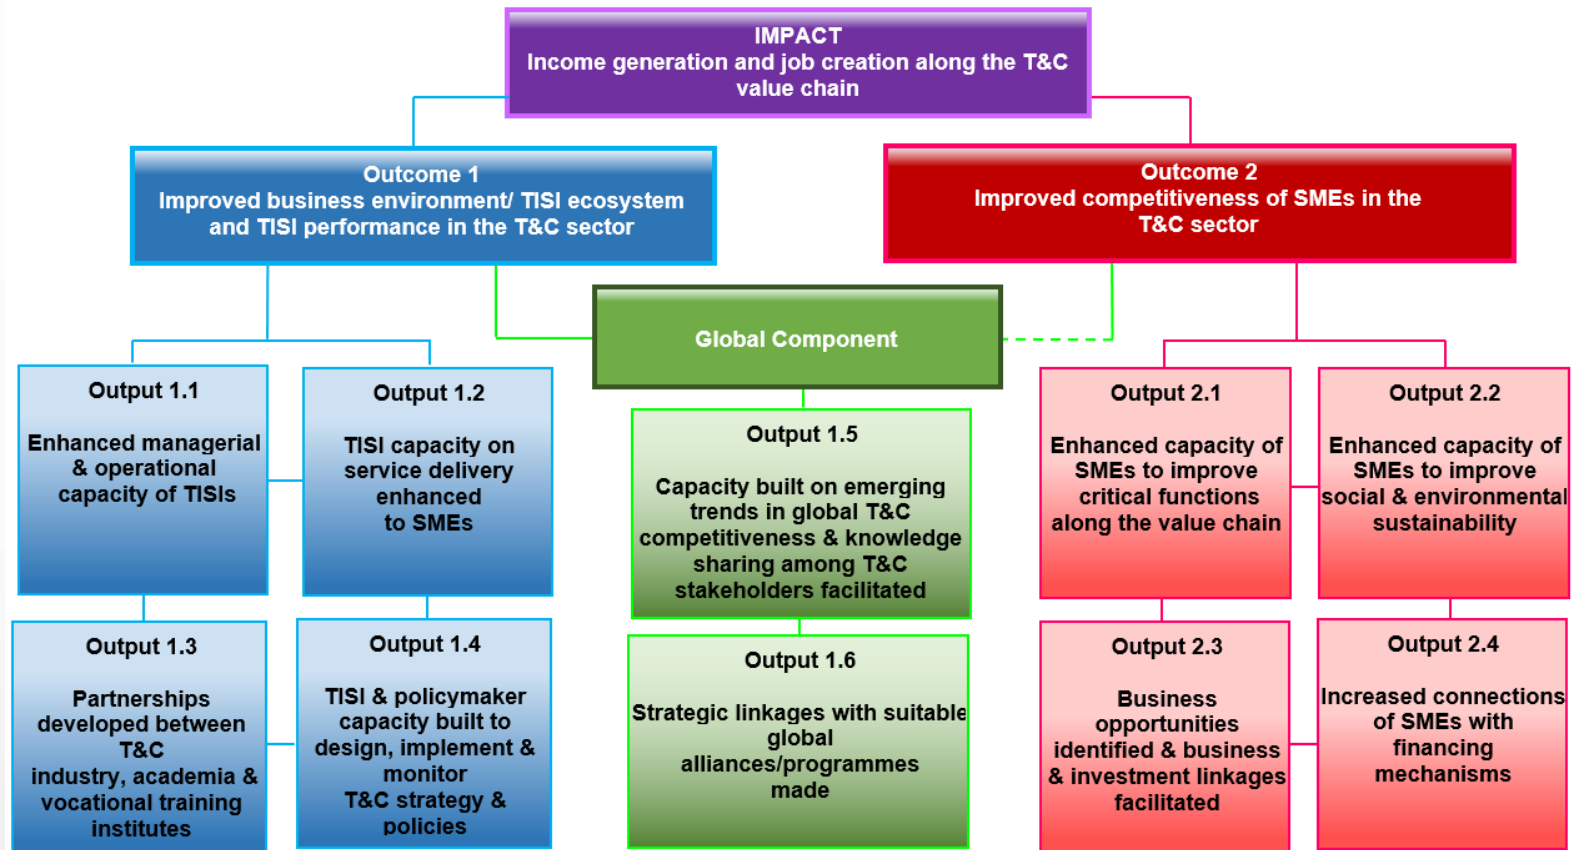

Tunisia:

- Diversified markets into Scandinavia and BENELUX
- New sourcing destination: Egypt and Spain
- New University curricula to align student's education with enterprise needs

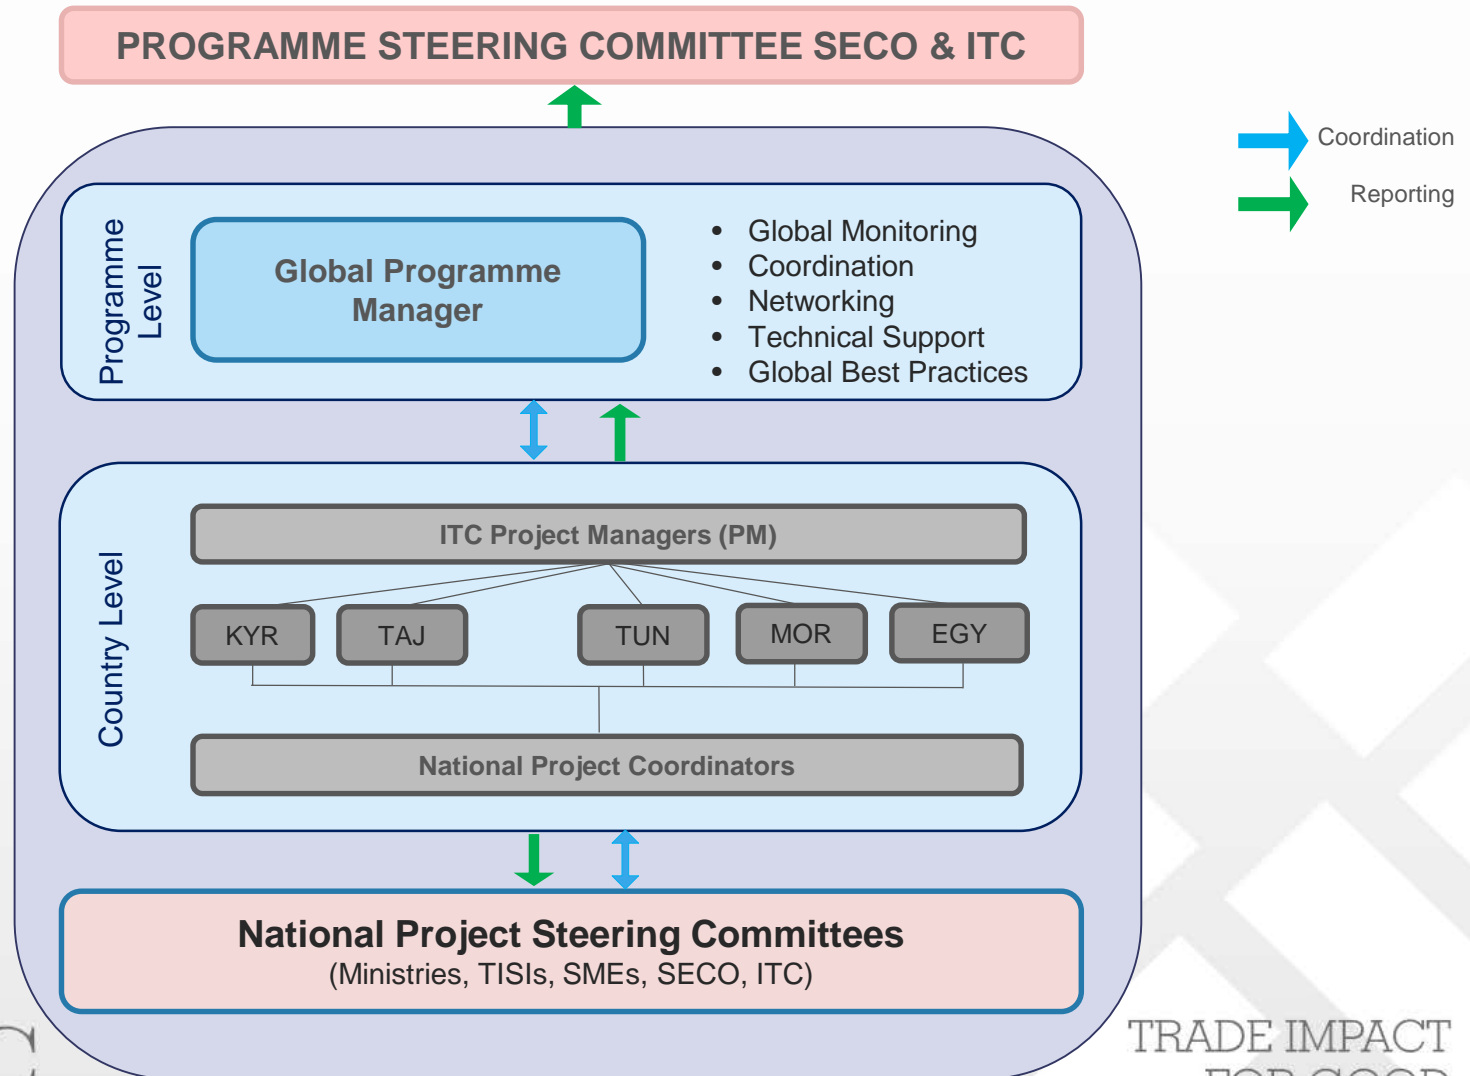

Egypt and Morocco:

- Inception phase of 6 months to define tailor-made approach

Results Framework

Governance Structure
