There are over 150 trade and investment promotion organizations around the world creating programmes and initiatives to support their exporting communities.

Every two years, the International Trade Centre partners with a national Trade Promotion Organization to host the World Trade Promotion Organizations Conference (WTPO). This is when we get a chance to celebrate inspiring organizations creating trade impact for good.

Ready to shine? Let’s get started.

The WTPO Awards 2018 give your organization a chance to shine through sharing the initiatives that have been successful in delivering trade development and impact. This year, the award categories provide more opportunities for your programmes to get the recognition they deserve.

Awards 2018

What is the process?

The WTPO Awards 2018 follow a two-stage process.

Stage 1 – entries are open from 15 March 2018 and due by 10 May 2018

The Stage 1 Entry Form allows entrants to submit an initiative for assessment, together with their contact information and authorisation to enter. The Stage 1 Entry Form can be downloaded from the WTPO Awards website. You may submit up to five different initiatives. Please complete a separate Stage 1 Entry Form for each initiative entered into the Awards. Please indicate the award category or categories for each initiative entered. If more than one entry is selected for Stage 2, the entrant will need to decide which initiative they would like to enter for an award.

Please begin by naming the Export Development Initiative. In under 700 words, entrants should give an overall description of the initiative that briefly answers the following questions:

1. **Focus of the initiative:** What problem does the initiative aim to solve?
2. **Defining features:** How does the initiative respond to the identified client needs? What are the distinguishing features of the initiative (e.g., specific partnerships, unique tools employed, training, counselling)? Note: the need for the initiative must have been identified or re-confirmed within the last two years.
3. **Achieving objectives:** How do you know you are succeeding? Describe what change you expect from the initiative (e.g. creating awareness, attitude change, and change in managerial behaviour, improving competitiveness, sustainable exports...).
4. **Target audience:** Describe the target group of companies (profile, size...).
5. **Design and delivery:** How did you design and deliver the initiative? How did this approach ensure you would achieve your objectives described in question 3? What are you proud of in the way you designed and delivered this programme?

**Award categories:** The Entry Form provides a list of the three award categories described on page 5 and 6 of this Entry Guide. Please select the award category for which you are submitting the entry.

- Read the criteria for Stage 2 in this guide before completing the Stage 1 Entry Form. This Stage sets the framework for entries into Stage 2. Entries reaching Stage 2 will need to demonstrate consistency and alignment between the information provided in Stage 1 and Stage 2.

- Entrants under any UN Classification (Least Developed, Developing or Developed) can enter the Awards.
Please do not send hard copies of the entry or any supplementary material.

Tune into the webinar on 4 and 5 April for help on completing your Stage 1 Entry Form. Email your questions with the subject STAGE 1 ENTRY QUESTIONS to wtpo-awards@intracen.org at least 24 hours in advance for discussion during the webinar. For further details about the Webinar please visit our website.

If you are not sure which category or categories your export development initiative fits into, contact us for assistance at wtpo-awards@intracen.org.

Judges are looking for a simple focus on the purpose of the initiative and the processes you used:

- Whether the goals of the initiative aim to develop SME capacities (i.e. raised awareness, behaviour change, improved/sustained competitiveness, and/or sustainable exports).
- How the information provided suggests a systematic process was followed to research the needs for the initiative.
- Whether the initiative responds to the needs and wants of clients.
- Whether the initiative demonstrates an innovative approach, either through design or through delivery.
- How the entry aligns with one or more of the three award categories for 2018.

Once completed, the form should be named as <Name of TPO_Country_WTPO_Stage1>, created as a PDF and emailed to wtpo-awards@intracen.org by 10 May.

Stage 1 entries are then assessed to ensure the initiative fits the core criteria. Qualifying entrants will then be invited to submit a more comprehensive Stage 2 entry. You will be advised by 1 June if your entry has qualified for progression to Stage 2. If more than one entry from a TPO goes forward, the TPO will need to decide which initiative to submit for Stage 2.

Language

Entrants are encouraged to submit their Stage 1 entries in English. ITC will translate any French and Spanish entries received before forwarding them to the jury for review. Note: ITC cannot take responsibility for the accuracy of the translations.

Entries for Stage 2 must be submitted in English to be considered for an award.

To request this Entry Guide in French or Spanish, please email wtpo-awards@intracen.org
Stage 2 – entries due by 2 July 2018

At Stage 2, qualifying entrants are asked to complete a Stage 2 entry form.

- WTPO 2016 conference host TPO
- 2016 award winning TPOs
- International Trade Centre (ITC is a non-voting member of the jury)

Jury members only score entries where there is no conflict of interest. The quality of the English will not be taken into consideration.

Entries are scored on a 1-5 scale against each criteria and judges are looking for:
- Processes that are well described
- Evidence of processes being applied systematically
- Well-designed initiatives and processes that are effective, innovative and monitored
Confidentiality

All information provided to the jury will be treated in the strictest confidence and used only for their consideration. ITC, with prior approval of the entrant, may publicise the awards and successes of the entrants. In the spirit of the awards, ITC may use specific information concerning the entrants’ best practices for capacity-building purposes.

Finalists and Winners

Top scoring entries will be named finalists and announced in early October. ITC will contact finalists regarding the webinar training to help them produce a video of their initiative. Finalists wishing to provide a video to ITC will have their videos showcased during the conference. Winners of each category will be announced and presented with their award at the gala dinner on 25 October 2018 in Paris, France during the WTPO Conference 2018.

In addition to the above, ITC’s Executive Director may recognise a TPO for its valuable contribution towards increasing the international competitiveness of SMEs.
