6th Plenary Session

Charting the Leap from Poverty to Prosperity:
Balancing a Pro-Poor Export Strategy with the Competitiveness Imperative

This session will combine moderated panel and floor discussions. Based on the results of earlier debates in the session, it will endeavour to identify:

- The essential features of a pro-poor export strategy;
- The principal programmes of a pro-poor export strategy;
- The fundamental institutional partnerships that must be in place for it to be successful; and
- The most pragmatic approach to managing implementation.
