Projets

Lesotho: Increasing competitiveness and decent work in the T&C sector

● PROJECT

The Expanding Enterprise Participation in the Textile and Clothing (T&C) Global Value Chain Project is a sub-component of the Lesotho Competitiveness and Financial Inclusion Project, funded by the World Bank. This project aims to enhance the competitiveness of Lesotho's T&C global value...

South-South Trade and Investment

● PROJECT

To investigate the potential of expanding investment (and trade) linkages between India and Africa, capitalizing on the structural changes and resulting opportunities brought forth by the African Continental Free Trade Area (AfCFTA). Will assess constraints and opportunities in each of these...

Lesotho: Horticulture productivity and trade development

● PROGRAMME

Project's Target Areas and Groups: Target beneficiaries were drawn from the four lowland districts of Leribe, Berea, Maseru and Mafeteng. Target Groups: Farmer Groups (Cooperatives and Associations) The youth Women Individual smallholder farmers who have basic resources and motivation required to...

Lesotho: Empowerment of public and private stakeholders on the implementation of NES Roadmap

● PROJECT

Least developed countries

Trade development strategies

Lesotho is a Least Developed Country with a relatively small and concentrated export basket. Some of the constraints affecting its private sector include: lack of adequate infrastructure and productive capacity, difficulties to navigate the complexity of foreign market requirements, difficulties to...

Lesotho: National Trade Policy Implementation Programme and formulation of National Export Strategy Roadmap

● PROJECT

The project will provide the Ministry of Trade and Industry with advisory services and undertake quality control measures on the consolidated National Trade Policy to ensure alignment with the ITC approach of "Trade Policy for Export Success"; it will develop an implementation program...
