ITC Trade Briefs

03/21

04/21

05/21

06/21

07/21

Presentation to the CCITF
Mondher Mimouni (Chief, Trade and Market Intelligence) and Julia Spies (Head, Trade
Data, Tools, and Analysis)
24 June 2021

Overview

Monthly releases
“The Global State of Trade”
+ Spotlight section

- ✓ Leverage ITC’s most recent data on exports and imports and **real-time information** on temporary trade measures and WTO notifications
- ✓ Provide a reliable, timely and useful source to **policy makers, journalists and the wider trade community** to remain up-to-date on the most important trends

Special topic
features thematic analyses

- ✓ Take advantage of ITC’s expertise on trade policy, regional integration, value chain analysis, export potential assessment, competitiveness, etc.
- ✓ Provide **thought leadership** through novel contributions to the global policy debate to inform high-level decision-making
