Only those persons with a body temperature below 37.8°C will be allowed to enter the WTO premises. WTO security are authorized to use infrared thermometers for this purpose.

Delegates are requested not to come to the WTO premises while they or any of their household members have any symptom of a common cold or flu, or any symptom associated with COVID-19, such as fever, loss of smell or taste, difficulty breathing, cough, nasal congestion unusual tiredness or muscle pain.

Delegates entering the WTO on foot are requested to enter via the Welcome Pavilion.

Delegates entering the WTO by car will be stopped at the Welcome Pavilion so that security guards can carry out the relevant sanitary checks (provide face masks and hand sanitizer, test body temperature etc.)
Social distancing and protective measures

5. While circulating within the WTO premises, all delegates are requested to wear a face mask. Masks will be provided at the Welcome Pavilion.

6. Hand sanitizers and disinfecting stands are placed throughout the building. Delegates are encouraged to use these and to wash their hands thoroughly and regularly while at the WTO premises. Delegates are also encouraged to carry tissues and to use them to interact with high touch surfaces.

7. While in common areas at the WTO, delegates are requested to observe floor stickers for queues so as to maintain the minimum 1.5-metre distance.

8. All persons in every gathering, meeting, or interaction at the WTO must observe a 1.5 metre distance from other persons. Please also wear a face mask or observe the 1.5-metre distance when sitting in common areas at the WTO, including meeting rooms.

9. All meeting rooms are disinfected on a daily basis. All users (delegates and staff members) are requested to disinfect their seats, table area, and earpieces before each meeting with the disinfecting spray and paper towels available in the meeting rooms.

10. For contact-tracing purposes, all WTO accredited delegates should register in advance before coming onto the WTO premises on the following link: https://www.wto.org/english/admin_delegate_registration/register_delegate_security.aspx

11. Non-WTO accredited delegates and external participants (NGOs etc.,) should register directly with ITC who will submit the list to the WTO Security.
