<b>Travel:</b>	Applicable
<b>Type of Consultant:</b>	National Consultant
<b>Title of Assignment:</b>	Marketing, Branding and E-Commerce Coach in Peru
<b>Duty Station:</b>	Home based
<b>Tentative Start Date:</b>	ASAP

### **Background:**

The International Trade Centre (ITC) is a joint agency of the United Nations and the World Trade Organization supporting the internationalization of SMEs. Its joint mandate combines a focus on expanding trade opportunities with the aim of fostering sustainable development.

The Trade for Sustainable Development (T4SD) Programme has established a Hub in Peru to help SMEs implement more sustainable business practices and access foreign markets. Together with the ITC e-commerce programme ecomConnect, the Hub will work with local coaches to help the SMEs position their products in international markets.

ITC wishes to hire a marketing, branding and e-commerce coach in Peru to work alongside ITC staff to support small Peruvian businesses to sell products online to European and US costumers.

### **Description of Duties/Responsibilities**

The Consultant will work under the direct guidance of the ITC Associate E-Commerce Expert and in close coordination with the T4SD Hub Country Manager and local T4SD Hub Lead and will undertake the following duties:

- 1. Conduct an e-commerce readiness assessment with companies using ITC's diagnostics tool**
  - a. Follow up with businesses to complete the e-commerce readiness survey
  - b. Analyse results of e-commerce readiness survey
  - c. Conduct follow up interviews with businesses if additional information required.
- 2. Participate in training of coaches module 1 (Marketing and Branding) and module 2 (Export management and logistics)**
  - a. Study online training materials provided by ITC
  - b. Take part in online training workshop with ITC experts
  - c. Complete the online assessment session
- 3. Complete coaching of companies on module 1 (Marketing and Branding) and module 2 (Export Management and Logistics)**
  - a. Provide one-on-one coaching and mentoring to businesses
  - b. Provide ad-hoc advice to the businesses and liaise with ITC staff to solve potential issues
  - c. Report on the progress of the companies
- 4. Participate in training of coaches on e-commerce module 3 (E-Store Development) and module 4 (Digital Marketing)**
  - a. Study online training materials provided by ITC

- b. Take part in online training workshop with ITC experts
- c. Complete the online assessment session
- d. Complete the online assessment session

**5. Complete coaching of companies on module 3 (E-Store Development) and module 4 (Digital Marketing)**

- a. Provide one-on-one coaching and mentoring to businesses
- b. Provide ad-hoc advice to the businesses and liaise with ITC staff to solve potential issues
- c. Report on the progress of the companies

A close coordination between ITC and the consultant throughout the whole project duration is indispensable. The consultant is expected to provide feedback during each stage of the project, and jointly identify prompt solutions for any challenge or problems that might occur or identify areas where improves support can be offered.
