ECOTIS Trade Map

A Trade Map embedded versions for the ECOWAS region

ECOTIS website homepage: [https://ecotis.projects.ecowas.int/](https://ecotis.projects.ecowas.int/)

Trade Map provides – in the form of tables, graphs and maps – indicators on export performance, international demand, alternative markets, competing markets, as well as a directory of importing and exporting companies. Trade Map covers 220 countries and territories and 5,300 Harmonized System products.

Trade map further enhances fact-based trade decision making, policy formulation and facilitates market information research.
